Example of In-text- Parenthetical Citation

Although most people are familiar with the image of the creature in Mary Shelley's novel *Frankenstein*, as well as with the terrible image of the monster in the adaptation of James Whale's 1931 movie of the same title, few have seen the 1935 movie *The Raven*, which has been called a homage to Poe's poem of that title (Sauertieg, 1998).
