The Federal Education & Development (FED) Program at University of Maryland University College (UMUC) could save your employees 25 percent on out-of-state tuition on more than 75 undergraduate and graduate programs and specializations at UMUC.* Almost all UMUC programs are available entirely online.

**LET UMUC HELP YOU**

1. We want to work with you to ensure that you have everything you need to help your employees learn about this alliance and encourage them to take advantage of this exciting opportunity. We would be happy to help your organization learn more about this program, the alliance benefits, and how to get started at UMUC.

2. At UMUC, we can identify the right UMUC degree or certificate** at the undergraduate or graduate level that aligns with your agency’s needs, help develop a communications plan to best reach your team, provide outreach collateral, or even conduct on-site and/or online events for your employees.

3. UMUC would be happy to work with you to schedule events to promote this alliance, including scheduling webinars for your employees. These hour-long sessions, which include a question-and-answer period, are an easy way for employees to learn more about UMUC, the alliance benefits, and how to get started. Just let us know what you may need. To learn more about how to promote the alliance, contact Emily Ferguson at emily.ferguson@umuc.edu or 301-985-7040.

To learn more, visit umuc.edu/trainingofficer

---

*The tuition discount will not be applied to the following graduate programs and related certificates or courses: Master of Business Administration, Master of Science in Data Analytics, Master of Science in Digital Forensics and Cyber Investigation, Master of Science in Cybersecurity, Master of Science in Cybersecurity Policy, and doctoral programs. The tuition for students who meet the criteria for Maryland residency will be the applicable in-state rate. Tuition for active-duty military and their spouses will be the applicable military rate. If you are a student using Post 9/11 benefits, please contact an advisor at 800-959-UMUC (8682) to determine if you can apply both benefits.

**More information about certificates, including gainful employment disclosures, is available at www.umuc.edu/certificates.
PARTNERING WITH UMUC  It’s as Easy as 1, 2, 3!

HOW UMUC CAN HELP

Providing Solutions for Your Program Needs
1. Work with you to solve agency-specific program needs.
2. Provide you with training and development.
3. Help develop program engagement and participation.

Assisting with Outreach
1. Supply collateral to your agency.
2. Provide creative treatments for your intranet or website.
3. Create e-mail copy for alliance announcements, event invitations, and enrollment deadlines.

Hosting Events
1. Partner with your agency to conduct a wide variety of events, such as breakfast meetings, lunch and learns, and roundtable discussions.
2. Conduct virtual events to reach out to your employees.
3. Set up both on-site and online learning demonstrations determined by location.

ABOUT UMUC: SERVING BUSY PROFESSIONALS WORLDWIDE

University of Maryland University College (UMUC) specializes in high-quality academic programs that are convenient for busy professionals. Our programs are specifically tailored to fit into the demanding lives of those who wish to pursue a respected degree that can advance them personally and grow their careers.

UMUC has earned a worldwide reputation for excellence as a comprehensive virtual university and, through a combination of classroom and distance-learning formats, provides educational opportunities to more than 80,000 students.

The university is proud to offer highly acclaimed faculty and world-class student services to educate students online, throughout Maryland, across the United States, and in more than 20 countries and territories around the world.

UMUC serves its students through undergraduate and graduate programs, noncredit leadership development, and customized programs. For more information regarding UMUC and its offerings for Federal employees, visit umuc.edu/FED.

“This [partnership] supports the need for low cost/no cost enterprise-wide solutions to address gaps in skills and knowledge while advancing careers.”
