1. BUSINESS NEED:

1.1 Purpose. University of Maryland University College (“UMUC” or “University”) seeks proposals from professional and experienced individuals or firms to establish a non-exclusive contract for the provision of photography services (“the Services”). It is anticipated that multiple contracts will result from this solicitation. UMUC does not guarantee the number of jobs/projects or dollar value requiring Services from any vendor awarded a contract. UMUC will not be required to solicit all awarded vendors, either individually or collectively, when the need for services arises. Local proximity of the vendor is a critical factor. Therefore, the firm’s locations will be considered when determining the best fit and value to UMUC.

1.2 Small Business Reserve. This is a Small Business Reserve Procurement. Award of a contract will be made only to certified small businesses. Firms need to be certified by the State of Maryland and such certifications need to be submitted to UMUC in order to be eligible to receive the award. Please visit <http://goma.maryland.gov/Pages/sbr-Program.aspx> for additional information or see attached for a Small Business flyer.

1.3 UMUC Background. Since 1947, UMUC has focused exclusively on the education and professional development needs of adult students, offering classes at times and locations convenient to students whose busy schedules require that they balance school with full-time jobs and full-time family or community responsibilities. UMUC has earned a worldwide reputation for excellence as a comprehensive virtual university and, through a combination of on-site and on-line learning formats, provides educational opportunities for lifelong learning to students in Maryland, as well as throughout the United States and around the world. UMUC serves its students through undergraduate and graduate degree and certificate programs, noncredit leadership development and customized programs.

For more information about UMUC visit <http://www.umuc.edu/visitors/about/>.

of any nature whatsoever unless previously specifically authorized in writing in each instance. Nothing in this Contract is intended to create a joint employment relationship.

- 9.2 It is understood and agreed that Contractor is an independent contractor of the University, and not an employee. Except as set forth in this Contract, UMUC will not withhold income taxes, social security or any other sums from the payments made to Contractor hereunder. All employees or contractors of Contractor shall in no way be considered employees of UMUC, but rather they shall be employees or contractors of Contractor, and Contractor shall bear full responsibility for compensating those persons and for the performance of the Services by way of them.
- 9.3 Each Party reserves the right to review all press releases or other public communications of the other Party that may affect the Party's public image, programs or operations.

11. GENERAL TERMS AND CONDITIONS

- 11.1 Termination for Default. If the Contractor fails to fulfill its obligation under this Contract properly and on time, or otherwise violates any provision of the Contract, UMUC may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. UMUC will provide Contractor a reasonable opportunity, not to exceed 10 business days, to cure the act or omission, provided such opportunity to cure does not extend the deadline for any deliverables and does not cause the University further damage. All finished or unfinished work provided by the Contractor, to which UMUC is entitled pursuant to this Contract shall become the University's property. UMUC shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and UMUC can affirmatively collect damages. Termination hereunder, including the determination of the rights and obligations of the Parties, shall be governed by the provisions of USM Procurement Policies and Procedures.
- 11.2 Termination for Convenience. The performance of work under this Contract may be terminated by the University in accordance with this clause in whole, or from time to time in part, whenever the University shall determine that such termination is in the best interest of the University. The University will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination and all reasonable costs associated with termination of the Contract. However, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the Parties, shall be governed by the provisions of the USM Procurement Policies and Procedures.
- 11.3 Delays and Extension of Time. The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract. Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor including, but not restricted to, acts of God, acts of public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State or UMUC, changes in law or regulation, action by government or other competent authority, fires, earthquakes, floods, epidemics, quarantine restrictions, strikes, freight embargoes, malicious or criminal acts of third parties, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

UMUC shall not be responsible for the fulfillment of the Contractor's obligations to subcontractors. Any such subcontract shall be subject to the terms and conditions that UMUC deems necessary to protect its interests. Contractor shall remain responsible for performance of all Services under this Contract, and shall be subject to liability to the University for acts and omissions of subcontractors.

11.5.2 Neither Party may assign this Contract without the prior written consent of the other Party, which consent shall not be unreasonably withheld, except that Contractor may assign this Contract to any parent, subsidiary, affiliate or purchaser of all or substantially all its assets with notice to UMUC. Contractor may designate a third party to receive payment without the University's prior written consent unless in conflict with Maryland or federal law, but shall provide the University with notification thereof.

This Contract may be amended with the written consent of both Parties. Amendments may not significantly change the scope of the Contract.
