THE UNDERGRADUATE SCHOOL

BUILD YOUR FUTURE HERE . . .
ONE MOMENT AT A TIME
Dear students,

Welcome to the fall semester and a new academic year in The Undergraduate School at University of Maryland University College (UMUC).

UMUC is here to help you progress academically and professionally. We strive to provide a high-quality, workforce-relevant education to every student who enrolls each semester. Undergraduate courses have been designed with working adults, practical experience, and career advancement in mind.

We are always striving to improve our offerings to meet your needs and employer needs. This fall we've added a new minor in Personal Financial Planning in the newly streamlined undergraduate curriculum. This minor can complement your professional plans regardless of your major but may be particularly useful if you are majoring in finance or business administration. According to the Bureau of Labor Statistics, employment of financial planners is expected to grow by 22 percent over the next 10 years, so now is an ideal time to get involved in the field!

No matter what subject you choose for your major or minor, you will find the courses and information you need to succeed at UMUC in this schedule of classes. This schedule will help you navigate the enrollment process, choose your courses, and plan out your educational pathway. You can choose from hybrid and online courses, each available in convenient, eight-week sessions.

I applaud your commitment to furthering your education and career and am honored that you've chosen UMUC. My best wishes for a successful fall term. Please feel free to contact me with any feedback or concerns at deanundergrad@umuc.edu.

Sincerely,

Mathew Prineas, PhD
Vice Provost and Dean

NEW AND NOTEWORTHY

NEW TUTORIAL PROMOTES ACADEMIC INTEGRITY AT UMUC

UMUC has a long history of commitment to academic integrity, reflecting its core values of truth, honesty, fairness, respect, and responsibility. To help students fully understand academic integrity, the university has developed a new tutorial that provides an overview of its principles and practical tips for avoiding plagiarism.

"The mark of an educated person is the ability to learn from others and use that knowledge to develop new ideas and approaches, always remembering to credit those who led the way on their intellectual path. This is the essence of what it means to have academic integrity."

MARIA A. CINI, PHD, UMUC PROVOST

According to Daniel Gallagher, academic director for research and writing services in the Center for Innovation in Learning and Student Success, "the new academic integrity tutorial combines elements of two previously available tutorials: the UMUC-specific Virtual Academic Integrity Laboratory (VAIL) and the more general Effective Writing Center tutorial."

All UMUC students are expected to maintain the highest level of academic integrity throughout their academic pursuits and to interact with others in an ethical way in their professional field. Intellectually honest academic work represents independent analysis and acknowledges all sources of information that contribute to the ideas being explored. The academic integrity tutorial offers dynamic content and real-world application of concepts, policies, and research methods in four modules.

To access the tutorial, go to www.umuc.edu/integritytutorial.

SOCIAL MEDIA COMMUNITY OFFERS MORE WAYS TO KEEP IN TOUCH

You may find it advantageous to stay connected with UMUC through more than just your classes. UMUC maintains an active presence on social media channels such as Facebook, Twitter, and Google+, allowing you to exchange information and share ideas with fellow students, your faculty members, advisors, and university administrators.

"Catch up with coursework, ask questions, and network with students and alumni in your career field or other areas of interest," said Director of Social Media Rebecca Foss. "There are many social media options available to you."

Find out more about connecting and sharing with UMUC's social media community at www.umuc.edu/socialmedia.

STEPHANIE FRANKE
BACHELOR OF SCIENCE IN CRIMINAL JUSTICE

Stephanie Franke’s UMUC Moment was 15 years in the making and well worth every day.

The mobile life of a military spouse can make it challenging to keep an educational plan on track. Stephanie Franke came to that realization as she moved from base to base, collecting credits from a handful of different colleges along the way. Then her husband urged her to check out UMUC, so she visited the UMUC office at Joint Base Andrews Naval Air Facility Washington where the family was stationed.

The UMUC advisor was able to help Franke transfer 73 credits and take a giant leap toward her degree. She had tried to transfer credits at other colleges but was frustrated when "they would only accept a bare minimum of 9 credits maybe, or 23, or specialized degrees, but UMUC allowed me to transfer all my credits from all of my different colleges, which was very helpful, because I honestly did not want to have to start all over again."

It may have taken her 15 years to earn her degree, but Franke insists that it was worth it. She is just happy that she finally found a school that "completely understands where I am coming from, who I am as a student and an individual . . . it was a great relief."

WHERE TO FIND WHAT YOU NEED

On your path to an undergraduate degree or certificate, you’ll find UMUC is with you every step of the way. To find the support you need to succeed throughout your program, refer to the following information.

Your First Stop
MyUMUC Portal
You can keep track of all your records, register for courses, pay your tuition, view your financial aid information, and much more through MyUMUC (https://my.umuc.edu). And you can link directly to the learning management system, the UMUC home page, and library services from any page.

Academic Resources
Center for Student Success
To help you boost your potential, the Center for Student Success can help you link up with other students and mentors in your field. See www.umuc.edu/studentsuccess and click on “Tutoring and Writing Support” in the left-hand panel for details.

Library Services
Extensive library resources are available online, 24 hours a day, seven days a week. You can also receive librarian assistance during scheduled hours in person, via instant messaging, by phone at 800-888-UMUC, ext. 2-2890, or by e-mail at library@umuc.edu. Visit www.umuc.edu/library for a complete list of library services.

Tutoring
If you need extra help in one of your subjects, UMUC can provide a list of possible tutors (subject areas are limited). Help is also available in some subjects at College Park and Largo. See www.umuc.edu/tutors for more information.

Writing Assistance
You can receive feedback on your writing assignments from expert advisors and use online writing and research resources through the Effective Writing Center. Find out how at www.umuc.edu/writingcenter.

Computing Information and Resources
Computing Facilities
Many UMUC sites provide computing facilities for the use of students. For more information, visit www.umuc.edu/computerslabs. Note: There are fees to print; costs vary by site.

Online Study—Technical Requirements and Assistance
Most UMUC students take at least some of their coursework online. If you need technical assistance in accessing your online course, call 800-360-UMUC (8682) or e-mail support@umuc.edu.

Innovative Credit Options
Workplace Learning
You can earn upper-level undergraduate credit for new learning in the workplace related to your academic discipline. To find out more, see www.umuc.edu/workpl or call 800-888-UMUC, ext. 2-2890. The e-mail address is workplacelearning@umuc.edu.

Prior Learning
UMUC provides two ways for you to earn credit for what you already know—Credit by Examination and Portfolio. Details on each method are available at www.umuc.edu/priorlearning. You can also call 800-888-UMUC, ext. 2-2890. The e-mail address is priorlearning@umuc.edu.

Other Important Information
Class Cancellation
If you’re taking classes on-site, you can check to see if your individual site is closed by clicking on “Weather Information” from either the UMUC home page (www.umuc.edu) or the MyUMUC log-in page or by calling 301-985-SNOW.

Policies
UMUC posts its official policies—from shared governance to transfer credit—online at www.umuc.edu/policies.

Student Advisory Council
Your opinion as a student matters. For information on the Student Advisory Council, see www.umuc.edu/gov/stac.

Student Services
Academic Advising
Your UMUC advisor can help you stay on track during your degree or certificate program and help you get ready for graduation. You can contact your advisor by e-mail, by phone (see contact information on p. 5), or in person at many regional sites (see list of service locations on pp. 76–77 or visit www.umuc.edu/locate for detailed information).

Contact information and links to related areas are available at www.umuc.edu/advising. For information on specific advising concerns, see the following web pages:
  • Transfer Credit www.umuc.edu/ugtransferscred
  • Degree Requirements www.umuc.edu/ugrequirements
  • Degree Planning Worksheet www.umuc.edu/worksheets
You should also go to MyUMUC (see p. 4) to access your academic progress report, request a UMUC transcript, or apply for graduation.

Accessibility Services
If you need accommodations because of a disability, contact Accessibility Services four to six weeks before classes start by e-mail at accessibilityservices@umuc.edu or by phone at 800-888-UMUC, ext. 2-2897 (or 240-684-2277 TTY). Also visit www.umuc.edu/accessibility for more information.

Careers Services
Career planning assistance for job searching, résumé writing, and improving your interview skills as well as many other resources, is available through Career Services. To access these services and job listings, visit www.umuc.edu/careerservices. The e-mail address is careerservices@umuc.edu.

Exams and Testing Services
If you need to take a placement test for English or math, you’ll find information and directions at www.umuc.edu/testing.

Financial Aid and Payment Options
Information about financial aid options and how to apply is available at www.umuc.edu/financialaid. You can also learn more about other payment options, including UMUC’s monthly payment plan, employer-provided tuition assistance, and Golden ID benefits for seniors; go to www.umuc.edu/payoptions. For more information, call 800-888-UMUC.

Graduation Services
Graduation Services provides support related to the graduation process, including the clearance/review of program requirements and processing of graduation applications. For assistance, contact the office at graduationservices@umuc.edu.

Military Students
UMUC has a long history of serving the military. For information on programs and services specifically related to military students, see military.umuc.edu and military.umuc.edu/scholarships. Army students should also be sure to register via GoArmyEd (www.GoArmyEd.com). The e-mail address for the UMUC Military Advising Team is military.advisor@umuc.edu.

Textbooks
Textbooks and other course materials are available through MBS Direct. Visit www.umuc.edu/bookstore for more information. You can also contact MBS Direct directly:

Carefully planning the route to your UMUC degree is the best way to ensure that you reach your destination.

1. SCHEDULE
At UMUC, there’s a detailed degree planning worksheet for each major that can help you plan your education from initial registration to graduation (see p. 7). Many academic programs have courses that must be taken in sequence, and starting your education with a degree planning worksheet in hand—and periodically checking your progress against it—is a simple way to ensure that you don’t waste time or money.

2. MODERATE
College-level coursework is challenging and time-consuming, so be realistic with your course load. Make sure you consider how your responsibilities, such as career and family life, may affect your study time. When you sign up for a class, expect to spend at least twice as many hours working on coursework outside the classroom as you do inside the classroom. And remember that online classes demand as great a time commitment as on-site classes (except for the commute). Special courses such as EXCL 301 Learning Analysis and Planning—which grants credit for experiential learning—can be even more time-consuming. Courses in accelerated formats also require more time per week than those in standard eight-week sessions. For help, talk with an advisor.

3. ANTICIPATE
Whether you are taking your classes online or on-site, you can access your syllabus online through the learning management system a week before class begins. The syllabus describes the purpose of the course, how it will be graded, and the due dates for assignments and examinations. Read it thoroughly and check your own schedule for conflicts.

If you foresee a problem with dates for exams or assignments because of your work or family responsibilities, check with your faculty member early in the session. Faculty policies on extensions and makeup work differ, and you should be sure you have a clear understanding with your faculty member.

4. COMMUNICATE
Don’t be afraid to ask questions or share your perspective. Faculty members are not only ready and willing to explain assignments or offer suggestions on how to improve your work but also able to serve as mentors, job references, and networking contacts. Classmates can be a source of academic inspiration and professional support as well. At UMUC, good relationships with both faculty members and classmates can pay big dividends.

If you have a problem with a class or with a faculty member, you can also contact the academic department. Your advisor can help you find the appropriate point of contact.

5. PREPARE
UMUC puts a wealth of superior academic support services at your fingertips—from advising and career planning to extensive library services, tutoring, and writing assistance. The Center for Student Success (www.umuc.edu/studentssuccess) can also help by connecting you to fellow students (through student clubs and honor societies), experts in your field, tutors, and mentors. Check out Where to Find What You Need in this schedule, and don’t hesitate to ask for help. Your advisor can always help you find the right source of assistance. At UMUC, we want you to succeed.

6. UPDATE
Go to MyUMUC—https://my.umuc.edu—every day to keep up to date with the latest news and information about The Undergraduate School.

What courses fulfill the requirements? When is the best time to take them? Putting together a degree plan can seem like putting together a jigsaw puzzle—6 credits of this, 4 credits of that, 30 or more credits of major coursework. But UMUC has replaced the puzzle with simple degree planning worksheets that tell you how and when to fulfill all the degree requirements, from the first course to your last, for each major.

Degree planning worksheets are available for every major at www.umuc.edu/worksheets, and a more general one is available for those who haven’t yet decided on a major. If you need help deciding on a major, go to www.umuc.edu/majorchoice for some helpful tips.

START WITH YOUR ACADEMIC ADVISEMENT REPORT
If you haven’t already done so, you should make sure that UMUC receives official transcripts of any other college-level courses you’ve taken. Once your official transcripts have been received and you have selected a major, your academic advisor can then show you the most appropriate choices in some areas of the degree plan—and the allowable alternatives. However, if you vary from the recommended courses or the sequence of courses, it could affect other elements of your degree plan.

Even if you have already completed all the general education requirements, the worksheet can help ensure that you take your remaining coursework in the right sequence so that you fulfill prerequisites and take basic courses before tackling upper-level courses.

LOOK FOR RECOMMENDATIONS
Recommendations can guide you toward the most appropriate choices in some areas of the degree plan—and the recommended courses are widely available, so you won’t have trouble finding them when you’re ready to take them.

You do not have to take a recommended course; you may choose from the other allowable alternatives. However, if you vary from the recommended courses or the sequence of courses, it could affect some of your major requirements.

If you choose a lower-level course where an upper-level course is recommended, you may have to take additional upper-level credit elsewhere to meet the upper-level course minimum. You also have to be aware of how your course choice relates to the rest of your courses (especially required courses), so you’ll need to carefully check the course description to review prerequisites and course equivalencies (the last sentence of most descriptions). Your advisor can clarify the consequences of your choices and help make sure that you fulfill all requirements.

If you’re still in the early stages of your college career, you’ll find the worksheet helpful in showing you how to build the foundation for further study, starting with basic skills in English composition, math, and library research—the required “first courses”: LIBS 150 Introduction to Research, WRGT 101 (or WRGT 101S) Introduction to Writing, and either MATH 106 Finite Mathematics or a higher-numbered math course (depending on your major).

Even if you have already completed all the general education requirements, the worksheet can help ensure that you take your remaining coursework in the right sequence so that you fulfill prerequisites and take basic courses before tackling upper-level courses.

FIND THE HELP YOU NEED
The degree planning worksheets are an excellent tool, but remember to communicate with your advisor regularly. Your advisor can assist you with course selection and help you understand the requirements for your degree. You can reach an undergraduate advisor at ugadvising@umuc.edu or 800-888-UMUC.

For the full text of the USM residency policy, visit www.usmd.edu/ regents/lylaws/SectionVIII/VIII270.html.

Tuition Refund Policy
The official date used to determine a refund of tuition is the date of the drop or withdrawal transaction. Tuition refund policies and deadlines can be found at www.umuc.edu/refundpolicy.

Drops/Withdrawals and Financial Aid
If you are receiving financial aid and drop or withdraw from a class, your financial aid awards may be canceled or reduced, depending on the type of funds you are receiving and when you drop or withdraw. If you are receiving Title IV federal financial aid funds and drop or withdraw from all classes within the first 60 percent of the academic session, your financial aid will be subject to a return of funds calculation, as required by federal law. UMUC is required to return to the federal government any federal financial aid funds that were “unearned” based on the percentage of time you attended class. If you stop attending all classes without officially withdrawing, you will be subject to a return of funds calculation at the end of the session, based on the last documented date of attendance as determined by the faculty. Financial aid recipients should check with a financial aid advisor before dropping or withdrawing from a course to determine the impact on their award.

To withdraw from a course after the drop grace period, you must follow UMUC’s withdrawal procedures, as outlined in the undergraduate catalog or online at www.umuc.edu/withdraw. For more information on the federal Title IV refund policy, see www.umuc.edu/policies.

Refund for Class Cancellations
The university refunds 100 percent of tuition and technology fees for classes canceled by the university. The application fee is nonrefundable, even when a class is canceled. Visit www.umuc.edu/refundpolicy for tuition refund policies and deadlines.
Updates to Course Information
Changes are sometimes made to course offerings after the schedule goes to press. Be sure to go to MyUMUC to check class availability and find out which course materials are required and (if applicable) your classroom building and number.

Duplicate Credit
Avoid duplicating courses you’ve already taken—it can be costly. In certain cases, particularly in technical subjects, some lower-level junior or community college courses may be similar to beginning upper-level UMUC courses.

To protect your investment of educational effort and the value of the degree, UMUC will not award credit for courses that repeat material you have been credited with learning. If you’ve earned credit at other colleges, you are responsible for determining whether UMUC courses you plan to take duplicate any credit you earned previously. If you are in doubt, consult a UMUC academic advisor before you register.

Place of Tests
Proctored online placement testing through Accuplacer is required for all admitted students who require lower-level mathematics and writing courses. For more information, go to www.umuc.edu/testing.

If you wish to take a language class and have prior experience with the language, you should take a placement test to determine which class is appropriate for you. For information on language placement testing, consult the Communication, Arts, and Humanities department or visit www.umuc.edu/linguagetesting.

Prerequisites
Most courses beyond the introductory level expect that you have acquired basic knowledge in the area before enrolling. These expectations are stated as prerequisites and are listed at the beginning of the course description (available via the online schedule of classes or the undergraduate catalog). MyUMUC will automatically alert you if you attempt to register for a class for which you have not met the prerequisites. If you have questions (or believe that you have met prerequisites through experience or other coursework), please contact your advisor.

Course Evaluations
UMUC uses student feedback to make decisions about future courses. The evaluation is required to ensure complete information from every student. Your responses are kept confidential. If you are taking an online or hybrid class, you will see the evaluation notice on the class screen when about three-quarters of the class has been completed. If you are taking an on-site class in an intensive format, you will be given a paper evaluation in class.

Go to www.umuc.edu/testing for technology requirements for online and hybrid class sections. Course descriptions may be accessed via the online schedule at www.umuc.edu/schedule.
Go to www.umuc.edu/techreq for technology requirements for online and hybrid class sections. Course descriptions may be accessed via the online schedule at www.umuc.edu/schedule.

Go to www.umuc.edu/techreq for technology requirements before registering for online sections. Course descriptions may be accessed via the online schedule.
Online courses offered for fall 2015 are available at many military sites across the country. These classes meet about half as often as regular on-site classes, usually once a week. Students must complete a civilian waiver and may need to follow other security regulations for site access. See below for details.

**CIVILIAN WAIVER**

Because of heightened security, civilian students taking UMUC courses or accessing student services on military bases may be required to complete a waiver in accordance with the Family Educational Rights and Privacy Act (FERPA) permitting UMUC to provide personally identifiable information (i.e., Social Security number, address, and telephone number) to the military administration. You may find the FERPA waiver form online at www.umuc.edu/waiver.

**SECURITY REGULATIONS**

Many military installations require a vehicle entry pass if you do not have a military ID or DoD vehicle decal. Call the individual site to determine whether you need a vehicle entry pass for admission to the site.

**Virginia Sites**

UMUC is certified by the State Council for Higher Education to operate in Virginia. Classes are available at Fort Belvoir, Joint Base Myer-Henderson Hall, Joint Expeditionary Base Little Creek–Fort Story, and UMUC at Quantico. Student services are also available in Virginia on military bases and other locations as needed.

If you live or work in the Maryland area, you can find UMUC courses at a site near you. Services (and sometimes classes) are also available at many military sites across the country.

**District of Columbia**

**ANACOSTIA-BOLLING (Joint Base Anaotasia-Bolling)**

**Information/Directions**

To attend classes or access services at Joint Base Anacostia-Bolling, take the Baltimore–Washington Parkway (Route 295) to Exit 1 and follow the signs to the base. The UMUC office at Anacostia-Bolling is located in the Education Center, Building 11. Call 202-563-3611 to verify office hours or to request more detailed information. For information on security regulations, see p. 56.

**Online Hybrid/Weekday Evening Classes**

**SESSION 1 (AUGUST 17–OCTOBER 11)**

Services Available

Advising and library services are available at Anacostia-Bolling. For information on these and other services (computing, textbooks), see pp. 4–5.

**Georgia**

**FORT BENNING**

**Information/Directions**

For classes: Take I-185 toward Cusseta to the front gate (just after Exit 1A). Continue to the Marine Road exit, then turn right onto Marine Road. Turn right at the Commissary and right again at the stop sign, then left into the Bingo parking lot. Classes are held in Building 9230 at 8150 Marine Road.

For services: Enter the main gate and continue straight on Dixie Road for about three miles. Turn left at the first light onto Collins Loop and continue to the last row of buildings. Building 2602 is the last building on the left.

**Online Hybrid/Weekday Evening Class**

Hybrid classes have the same technical requirements as online classes but meet on-site as well as online. More information is provided on p. 56.

UMUC provides a number of learning options that are designed to offer you the greatest flexibility in planning your academic schedule. Hybrid classes that combine online study with on-site class meetings are offered at convenient times. These classes meet about half as often as regular on-site classes, usually once a week. Students in these classes should access their class online as soon as the session begins, regardless of when the first class meeting is held. Online classes use the latest technological advances to enable you to complete course requirements without classroom attendance. Online courses offered for fall 2015 are listed on p. 36.

**Locations**

On the following pages, course listings are provided by location. Within each location, courses are listed by format, weekday evening or weekend daytime, and session. Information is also provided on how to find the site and what services are available there.

**Military Sites**

UMUC classes held at military sites are open to all UMUC students, unless otherwise specified. However, civilian students must complete a civilian waiver and may need to follow other security regulations for site access. See below for details.

Parking

If you are taking a UMUC course that meets at College Park weekdays after 4 p.m. or any time on the weekend, you need not register for a UMC parking permit. During those times, you may park in any unrestricted lot, including Lots 1, 2, 4, 11, and 16. Be sure to pay attention to signs at the entrance to all parking lots for possible restrictions. Some campus events may make parking difficult, so allow enough time to find a space in a permissible location. The schedule of athletic events at UMCP can be found online at www.umterps.com. If you are taking a UMUC course that meets weekdays at College Park before 4 p.m., you may acquire a free parking permit for Lot 4 only by presenting a photocopy of your itemized UMUC bill to the Department of Campus Parking at UMCP. Permits are in effect 7 a.m.–10 p.m., Monday–Friday. For more information, call 301-314-PARK.

REGISTRATION INFORMATION

Registering at UMUC is easy, no matter which option you choose. If the class you want is already full, you can put your name on a waiting list. And if you think of better choices later, you can always make adjustments to your schedule until class starts.

Registration
Detailed information on the various ways to register (online via MyUMUC, by mail or fax, or on-site) is available online at www.umuc.edu/register.

A form is provided on the following pages for those who prefer to mail or fax their registration. (Please note: Online registrations are confirmed immediately; mail and fax registrations require manual processing.) You may register by fax or mail if
- You have already been admitted to UMUC as an undergraduate and have registered for courses within the last two years.
- You are enrolled in the Graduate School at UMUC.
- You are a new student who meets the UMUC admission criteria and have submitted your Application for Admission—unless your own payment accompanies the registration form.

You may not register by fax or mail if
- You were previously enrolled at UMUC but have not attended class in more than two years and have not submitted your Application for Admission.
- You are transferring from UMUC overseas and have submitted your Divisional Transfer Form via MyUMUC.
- You are an undergraduate student enrolled in another University System of Maryland institution and have included a letter of permission from your major department. (Please note: If additional information is required, your registration could be delayed; you may find your registration processed more quickly if you present your letter of permission in person at the UMUC Academic Center at Largo or at a regional site.)

You are responsible for checking to ensure that you have the necessary prerequisites for a course and that the course does not duplicate any other course you have taken. You must list ALL information requested in the course listing; otherwise, your registration will not be processed. List ALL courses on your form. Example:

When you have completed the form, use black ink and printing legibly. You may not register by fax or mail if you are a financial aid applicant without an award letter or a GGL disclosure statement—unless your own payment accompanies the registration form.

Instructions
1. Complete the registration form, using black ink and printing legibly.
2. If you are currently enrolled as an undergraduate with another institution in the University System of Maryland, be sure to include a letter of permission from your major department along with the registration form.
3. Compute the amount due for tuition and fees. (Refer to p. 8 of this schedule for more information, contact your advisor.)
4. Be sure to meet the deadlines listed under Important Dates on p. 3 of this schedule.

The Waiting List
If a class is already full at the time of registration, you have the option of placing your name on a waiting list for the class. For information on how the waiting list works, visit www.umuc.edu/register.

To check on class availability and see if new classes have been added, go to MyUMUC (at https://my.umuc.edu).

Withdrawals or Dropped Courses
Official withdrawal from a class must occur before 65 percent of the class has been completed. Specific withdrawal deadlines are provided online at www.umuc.edu/withdrawals. For information on how to withdraw from a class, see www.umuc.edu/register.

Please note: UMUC can honor only those withdrawal requests actually received. Failure to withdraw in the required manner will result in the forfeiture of any refund and may result in a failing grade.

Stopping payment on checks for registration fees or not paying at registration does not constitute an official withdrawal or relieve you of your financial obligation to UMUC. Never attending or ceasing to attend classes does not constitute a withdrawal.

Schedule Adjustment
After your registration has been processed, you may make changes online. To do so, access MyUMUC (https://my.umuc.edu). Note: Changes in course load may affect financial aid eligibility and VA benefits. Be sure to keep the appropriate office informed of schedule adjustments.

Armed Forces
- Army Students To make use of military tuition assistance, Army students must register via www.GoArmyEd.com. You are responsible for checking to ensure that you have the necessary prerequisites for a course and that the course does not duplicate any other course you have taken. You must list ALL information requested in the course listing; otherwise, your registration will not be processed. List ALL courses on your form. Example:

### POLICY STATEMENT

This publication and its provisions do not constitute, and should not be regarded as, a contract between UMUC and any party or parties. At the time of publication, reasonable effort was made to ensure the factual accuracy of the information. However, this publication is not a complete statement of all policies, procedures, rules, regulations, academic requirements, and tuition and fees applicable to UMUC, its students, or its programs. In addition, changes or additions may be made to the policies, procedures, rules, regulations, and academic requirements set out in this publication. UMUC reserves the right to make these changes and additions to the information in this publication without prior notice. When a curriculum or graduation requirement is changed, it is not made retroactive unless the change is to the student’s advantage and can be accommodated within the span of years normally required for graduation.

### ANNUAL INFORMATION REPORT AND DISCLOSURES

UMUC is committed to assisting all members of the UMUC community in providing for their own safety and security. UMUC provides an Annual Information Report to current and prospective students, faculty, and staff pursuant to U.S. Department of Education regulations. It is available on the Office of Legal Affairs web page at www.umuc.edu/legal/annualinfo/report.cfm. If you have any questions or if you would like to request a printed copy of the report, contact Security at 301-985-7371.

The Higher Education Act of 1965, as amended by the Higher Education Opportunity Act of 2008, includes many disclosure and reporting requirements that are intended to help current and prospective students access information about higher education institutions. Notice of required disclosures will be provided to all enrolled students, faculty, and staff on an annual basis and to all prospective students and employees.

### NONDISCRIMINATION

UMUC is committed to equal opportunity for all individuals and adheres to federal, state, and local laws and regulations that prohibit discrimination and retaliation, as incorporated by UMUC Policy 040.30 Affirmative Action and Equal Opportunity (www.umuc.edu/policies/adminpolicies/admin04030.cfm) and UMUC Policy 041.00 Sexual Misconduct (www.umuc.edu/policies/adminpolicies/admin04100.cfm). UMUC does not discriminate against any person on the basis of race, religion, color, creed, gender, gender identity or expression, marital status, age, national origin, ancestry, political affiliation, mental or physical disability, sexual orientation, genetic information, veteran status (including Vietnam-era veterans), or any other protected characteristic under applicable federal, state, and local law. UMUC is committed to ensuring that all individuals have equal access to programs, facilities, admission, and employment; no person shall be excluded from participation in, be denied the benefit of, or otherwise be subjected to unlawful discrimination in this institution’s programs and activities.

Inquiries regarding UMUC’s Nondiscrimination Statement or compliance with applicable statutes or regulations should be directed to the following offices:
- University of Maryland, 2311 University Boulevard East, Adelphi, MD 20783-8000 (phone 301-985-7371)
- Inquiries regarding sexual misconduct, including sex- and gender-based discrimination, should be referred to UMUC’s Title IX Office by phone at 301-985-7390 or e-mail tixcoordinator@umuc.edu.

UMUC does not discriminate against any person on the basis of sex in the conduct of its educational programs or activities. This includes each of its campuses, and each of its programs and activities. This requirement to provide equal access and opportunity is the result of Title IX of the Education Amendments of 1972, the Americans with Disabilities Act of 1990, and other federal and state laws.

Inquiries regarding UMUC’s Nondiscrimination Statement or compliance with applicable statutes or regulations should be directed to the following offices:
- Office of Diversity and Equity, UMUC, 3501 University Boulevard East, Adelphi, MD 20783-8000 (phone 301-985-7955 or e-mail fairprac@umuc.edu).
- Inquiries regarding sexual misconduct, including sex- and gender-based discrimination, should be referred to UMUC’s Title IX Coordinator by phone at 301-985-7990 or e-mail tixcoordinator@umuc.edu.

### ACCREDITATION
