University of Maryland University College
Faculty Advisory Council
Bylaws

[As amended Sept. 2012]

ARTICLE I. Purpose and Authorization
1. In accordance with Article IV.1 of the Constitution of the University of Maryland University College (UMUC) Faculty Advisory Council (FAC), these Bylaws of the FAC (“Bylaws”) define further its structure and procedures.

2. In accordance with Article IV.2 of the Constitution of the FAC, these Bylaws have been adopted by an absolute majority vote of the FAC and are subject to amendments as provided by Article VIII herein.

ARTICLE II. Membership
1. Voting members of the FAC are those UMUC faculty members elected to the FAC by the UMUC faculty.

2. Non-voting ex-officio members of the FAC include the UMUC President and Provost and/or their designees.

3. The total membership shall equal 18 members.

4. In accordance with Article II.2 of the Constitution, there shall be:
   a. Four Collegiate Faculty members from Adelphi (two from Undergraduate Programs; two from Graduate Programs)
   b. Two Collegiate Faculty members from the European Division
   c. Two Collegiate Faculty members from the Asian Division
   d. Nine Adjuncts, including one from the Asian Division and one from the European Division
   e. One Librarian

5. Faculty members who serve as FAC representatives do so as service to UMUC. However, consistent with Article I.A.2 of the FAC constitution, it is the responsibility of UMUC to ensure that FAC members are given adequate time and flexibility to participate in FAC fully and effectively. That means that the supervisor(s) of any FAC representative needs to make accommodations for the additional time demands that serving in this position imposes, including, but not limited to, providing time for participation in synchronous meetings as well as working asynchronously, communicating with members of the faculty and participating in discussions with UMUC administrators. Accommodations may take the form of release time, schedule flexibility, administrative leave, or any other form which can be agreed upon between the FAC representative and his or her supervisor(s). Any problem in reaching such accommodation should be raised by the FAC representative with the FAC Chair and be settled with the Provost.

ARTICLE III. Elections
1. Ordinary elections for the FAC shall be completed by October 31 for terms that begin on 1 January of the following year.
   a. A request for nominations will be publicized at least 6 weeks prior to the beginning of voting.
   b. The nomination process will take place on the shared governance pages of the UMUC website, where a nomination form will be available.
   c. Candidates failing to complete this form by the close of nominations will NOT be included on the ballot. It is the responsibility of the candidate to complete this form.

2. A ballot shall be created listing all vacancies on the Council. All nominees shall be listed according to their faculty category. The ballot shall appear 2 weeks prior to the beginning of voting.

3. Voting shall be open for a period of 3 weeks. Voting shall be electronic, with accommodations to be made by the Executive Committee, as necessary, for overseas faculty stationed at locations lacking connectivity.

4. The voting shall be supervised by an election committee approved by FAC. The committee shall work in cooperation with the Office of Faculty Affairs. In the event of no nominations for an open seat, the FAC, by absolute majority vote, may select a faculty member to fill the seat.
ARTICLE IV. Term of Members
1. The term of office of FAC members shall be for two years.

2. FAC members may be re-elected for two additional terms.

3. Approximately one half of the members will be elected each year.

4. Any FAC member may be removed for cause from the FAC by absolute majority vote, after presentation of charges of misconduct to such faculty member, and an opportunity for the FAC member to respond to those charges.

5. Status of elected FAC members is to be determined by their faculty status at the time of their election, and no member should be forced to resign his/her seat by virtue of a change in status during his/her term of office. The exception shall be if a member is no longer affiliated with UMUC in a faculty position.

6. In the event of a vacancy created during the term of membership, the vacancy shall be filled by the nominee in the last election who received the next highest number of votes in the category of the vacancy. If that person is unable or unwilling to take the position, the nominee with the next most number of votes will be offered the seat. The process will continue until the seat is filled or there are no more nominees. If this process does not result in the seat being filled, the FAC, by absolute majority vote, may select a qualifying faculty member in the category to fill the seat.

ARTICLE V. Officers, Executive Committee, Term of Officers, and Duties
1. The FAC shall elect four officers to participate in its Executive Committee. The four officers shall consist of a Chair, Vice Chair, Secretary, and Member-at-Large. These four members shall form the Executive Committee.

   c. The Executive Committee shall facilitate the organization of task forces and committees within FAC in consensus with the remaining FAC members.
   d. The tasks described in V.7.a-c shall be distributed among the members of the Executive Committee as they see fit. FAC and UMUC administration shall be clearly informed as to the distribution of tasks decided upon by the Executive Committee.
   e. For the sake of clarity and the convenience of UMUC senior administrators, the Chair and Vice-Chair shall be deemed the official liaisons to the Provost's Office. Should either liaison be absent or incapable of performing these duties, an alternate will be named. When deemed appropriate, the liaisons shall have the right to invite additional FAC member(s) to meetings with the Provost.
   f. The Chair of FAC shall be one of the four representatives of FAC on the University Advisory Council.

ARTICLE VI. Meetings

5. Sixty percent of the FAC members shall constitute a quorum.

   b. Votes (with the exception of Executive Committee elections) will take place in the WT classroom. A voting issue must be announced by the parties holding the vote. The announcement period shall be 5 days. This information must appear in class announcements and be sent by email.
   c. A voting period begins with the announcement and will consist of 10 working days beyond the end of the announcement period.
   d. The votes will be cast in a designated area within the WT classroom. An email confirmation of the vote will be sent (by forwarding function in the WT classroom) to the Secretary at the time of voting, so that there will be a second confirmation that the vote has been cast. Votes may be cast as 1) in favor of the proposal, 2) opposed to the proposal, or 3) abstaining from the proposal. Any vote not cast shall be counted as abstaining.
   e. Votes cast after the end of voting will be counted as not having been cast.
   f. FAC members may contest a voting result if a vote has not been properly administered or counted. This challenge must be made to the Executive Committee within 48 hours of the results being announced.
   g. Approval of FAC business and proposals shall require an absolute majority of the FAC membership at the beginning of the voting period.

7. Upon motion of one FAC member, with approval of a majority of FAC members present, FAC may meet in closed session to consider a specific issue before FAC, from which session non-voting, ex officio members may be excluded.
