<b>Physical Education (4 credits)</b>			
Physical education/basic training		4	Applied as Free Electives toward degree
<b>Leadership Management, Military Science (6 credits)</b>			
LMMS requirement		6	Most coursework will be applied as Free Electives toward degree
<b>Technical Education (24 credits)</b>			
12 credits technical core 12 credits technical core or technical electives		24	Most coursework will be applied as Free Electives toward degree
<b>Program Electives (15 credits): To be completed at UMUC</b>			
Technical education, LMMS or Gen Ed courses; natural science; foreign language credit	IFSM 201 HIST 142 or HIST 157 NSCI 100 or ASTR 100 ◆ PSYC 100 ◆ STAT 225	15	Computing requirement for bachelor's degree Historical requirement for bachelor's degree Science requirement for bachelor's degree Required course for major in psychology Required statistics course for major in psychology
<b>CCAF credits (60-64 credits)</b>			
<p><b>Notes:</b> A maximum of 21s.h. of coursework considered vocational-technical in nature are transferable.</p> <p>This program comparison assumes 30 s.h. in General Education and Program Electives are taken from UMUC. Subject to transfer credit limitations, more transfer credit may be applicable to the degree. If the actual number is more, fewer credits in UMUC coursework may be required and/or additional credits available for UMUC electives. This will be determined when transcripts are reviewed and degree audit prepared. UMUC courses will always fit both CCAF and UMUC degree. Listed courses from other institutions must be articulated.</p>			

UMUC Course	Credits	Notes
<b>General Education Courses (17 credits): <i>To be completed at UMUC</i></b>		
<b>If satisfied in CCAF program or technical electives, these credits available for electives in the bachelor's degree</b>
