ARMY OCCUPATIONAL SPECIALTY

BRANCH

12 Corps of Engineers	21 Engineer	42 Adjutant General Corps	88 Transportation
13 Field Artillery	25 Signal	64 Veterinary Corps	89 Ammunition
14 Air Defense Artillery	27 JAG Corps	67 Medical Services Corp	91 Ordnance
15 Aviation	29 Electronic Warfare	74 Chemical, Biological, Radiological and Nuclear (CBRN)	92 Quartermaster Corps
18 Special Forces	31 Military Police		94 Electronic Maintenance
	35 Military Intelligence		

SOCAD-4 NETWORK – Management

COLLEGE AND DEGREE

University of Maryland University College
Bachelor of Science — Management Studies

NOTE: Degree plan is intended for Warrant Officers. If from another MOS, select MGMS-MAJ in GoArmyEd.

DEGREE OBJECTIVE —UMUC Bachelor’s degrees in Management Studies (MGMS) are designed to develop broad administrative and management skills. They are terminal programs for students who wish to continue toward graduate degrees, but may contain graduate degree prerequisites.

POINT OF CONTACT

Military Advising Team

University of Maryland University College, 3501 University Boulevard, Adelphi, Maryland 20783
1-877-275-8682; FAX 301-985-7748; military@umuc.edu, www.umuc.edu

ACADEMIC RESIDENCY – 25 percent (30 semester hours), of which 15 semester hours must be upper-level (300-499). At least half of the credit applied toward the major (18 semester hours) must be taken through UMUC; at least half of the credit applied toward the major must be Upper-Level coursework. At least half of the credit applied toward the major must be earned through graded coursework. UMUC distance learning courses can meet this requirement.

HOW TO USE THE DEGREE PLAN

CONTENTS

- 1. OVERVIEW** - Degree plan type, MOSs covered, college and degree, objective, contact, residency. (above)
- 2. DEGREE REQUIREMENTS SUMMARY** - A table of degree requirements with options marked. (next page)
- 3. REQUIREMENT PAGES** - A series of individual Requirement pages showing the details behind the summary Xs. Appendix III explains how to use them.
- 4. APPENDIX I - MILITARY-RELATED EXPERIENCES APPLIED TO THIS DEGREE** - A list of Army schools, MOSs, and relevant licenses/certificates considered as possible sources of credit for this degree. If you have others, inform the person assisting you with your credit evaluation. This is primarily a reference used to verify that all sources have been considered.
- 5. APPENDIX II - EXAMPLES OF CREDIT OUTCOMES** - A summary of degree requirements met and remaining for a typical soldier completing BNCOC or WOBC.
- 6. Appendix III - HOW TO USE REQUIREMENT PAGES** - Explains how to pursue the credit sources.
- 7. APPENDIX IV - SELECTING THE RIGHT DEGREE** - Points to consider in making your degree choice.

HOW TO PROCEED

Use the resources mentioned above to determine whether this is the right degree for you. If you are unsure, review Selecting the Right Degree, Appendix IV. If you will soon complete BNCOC or WOBC, look at Appendix II and estimate your status. If not, or if you want a more complete picture, check the Requirements pages to determine how many you have met, how many remain, and how you might satisfy them. Consult your Army Education Center counselor or use the contact information shown above to enroll. Ask the college for an official evaluation and a SOCAD Student Agreement based on this degree plan. It will show exactly what you must do to complete the degree. Decide which remaining requirement to pursue next; go to its individual Requirement page and explore your options. Repeat the last step until you have met all the degree requirements for graduation.

DEGREE REQUIREMENTS SUMMARY

University of Maryland University College
Bachelor of Science — Management Studies

REQUIREMENT		SH	SOCAD	ARMY MOS	ARMY SCHOOL	TESTS	CERTIF- CATION/ LICENSURE	DISTANCE LEARNING
A	WR TG 101 Introduction to Writing	3	X					X
B	WR TG (writing course)	3	X			X		X
C	Writing or Speech course	3	X		X	X		X
D	Upper level Intensive Writing Course	3						X
E	Arts & Humanities Electives (one to be Historical Perspective) (two disciplines)	6	X		X	X		X
F	Social & Behavioral Sciences Electives (two disciplines)	6	X		X	X		X
G	Biological & Physical Sciences Electives, one course must have a laboratory	7	X			X		X
H	MATH 106 Finite Math OR MATH 107 College Algebra (or higher level math)	3	X			X		X
I	IFSM 201 Introduction to Computer-Based Systems or CMST 303 Advanced Application Software and IFSM 300 Information Systems in Organizations or ACCT 326 Accounting Information Systems	6	X			X		X
J	LIBS 150 Information Literacy and Research Methods	1						X
K	Required Management Courses: BMGT 110, ACCT 220, STAT 230 or STAT 200, ECON 201 or 203, BMGT 364, HRMN 302	18	X			X		X
L	Supplemental Courses: ACCT, BMGT, ENMT, FINC, FSCN, HRMN, MGST, MRKT	18	X		X	X		X
M	Free Electives	43 ##	X	X	X	X		X
TOTAL		120 #						

- An "X" indicates that the college guarantees to accept credit from the source shown for at least part of the requirement. See details for credit awarded and for each particular requirement on the following pages.
- **# Students must complete a minimum of 45 Upper-Level coursework.**

Continued

- **## Students can use Free Electives to complete a minor** (http://umuc.edu/prog/ugp/mjr_chart_online.shtml). Contact university POC for more information.
- **Requirement L:** Soldiers can earn a maximum of 9 SH of lower-division ACE credit recommendations or a maximum 18 SH of ACE credit recommendations (lower- and upper-division credit) for Army training and MOS experience based on a review of their AARTS transcripts.
- Soldiers can earn a maximum of 60 SH for their Army training and experience, including a maximum of 30 SH for MOS experience, based on a review of their AARTS transcripts.
- **DANTES Independent Study Catalog** (www.dantes.doded.mil) – Courses will be evaluated for transfer credit on a case-by-case basis; contact your academic advisor for guidance on selecting appropriate courses that may be applied to your degree program.
- ECE=Excelsior College Examination Program
- If a Warrant Officer has completed any certification listed on the COOL web site (<https://www.cool.army.mil/>), he or she should contact the University of Maryland University College Point of Contact to find out how, if any, course credit can be awarded. Course credit, if awarded, would be based upon an individual evaluation of a soldier's record.

<p>NOTE: Warrant Officers may receive more credit for Army training and MOS work experience when they submit their AARTS transcripts to university officials.</p>

Any relevant, non-duplicating courses 43 SH

Any relevant, non-duplicating course from the *DANTES Independent Study Catalog*.

APPENDIX I

MILITARY-RELATED EXPERIENCES APPLIED TO THIS DEGREE

The college guarantees to grant the following course credits from the military-related learning experiences listed below to the extent that they match degree requirements. Maximum credit is shown for each item. It is necessary to match the credit to actual requirements, eliminating duplication and addressing instances where the credit is insufficient to meet the total requirement. For example: Is there a way to compensate for the credit short-fall or does the experience fail to meet the requirement? See the individual requirement pages for guidance and choose where the credits can most effectively be applied.

Important: This evaluation should culminate in a SOCAD Student Agreement.

MILITARY-RELATED LEARNING EXPERIENCE	A	B	OPTIONAL NOTES ON USE OF CREDIT

Column A = Maximum credits recommended.

Column B = Maximum credits that can actually be used in this degree.

Optional—Note the requirement letter code and semester hours drawn from each experience as it is applied to a specific requirement on the following pages. The total for each experience cannot exceed the credit shown in Semester Hours column B.

Steps for Applying Military-Related Learning Experiences

- In the first column of the preceding table, check each learning experience that can be validated for the soldier. Choose only the highest level MOS attained. If there are relevant experiences not listed above, bring them to the attention of the college evaluator.
- Review the individual letter-coded requirements pages and devise a preliminary strategy for applying the credits.
 - Work from the most specific to the more general requirements (i.e., first, specific requirements; next, specific categories of electives; last, free electives).
 - Work from completely satisfied requirements to partially-met requirements (i.e., unless there is a satisfactory way to make up for the shortfall in credit, the requirement might not be met by the particular experience. See college policy on the letter-coded requirement page.).
 - Check for possible duplication by considering whether two or more credit recommendations are based on the same learning experience (e.g., was a skill credited for the MOS also granted for AIT in an instance where that MOS skill was fully learned in AIT? It is possible for a skill to be *properly* credited from two sources if the learning acquired in each setting is sufficiently different, but caution is needed to avoid duplication.)
- Track the credits consumed in the table above, noting the requirement letter code and the semester hours applied.

APPENDIX II

EXAMPLES OF CREDIT OUTCOMES

Actual outcome for a Warrant Officer who completed Basic Training, Warrior Leader, BNCOC Common Core, Battle Staff, and Warrant Officer Candidate School, Phase 1 (AR-2201-0610) and Phase 2 (AR-2201-0612)

	College Requirement	SH	Army Learning Experience and ACE Guide Credit Recommendation	SH Applied	SH Remaining

NOTE: Warrant Officers may receive more credit for Army training and MOS work experience when they submit their AARTS transcripts to university officials.

APPENDIX III HOW TO USE REQUIREMENT PAGES

1. REQUIREMENT

A college course (or the broader category shown in lieu of a course) required for the degree.

2. SH (SEMESTER HOURS)

Semester (or quarter - QH) hours of unduplicated credit needed to meet the requirement. Unduplicated means that the same learning experience cannot already have been used to satisfy another requirement, and that if you combine smaller amounts of recommended credit to meet the total, they must represent unique learning experiences.

3. SOCAD

The letter-number combinations shown represent categories of comparable courses in the SOCAD system that are guaranteed to transfer. Use the SOC Degree Network System Handbooks to find specific college courses in the categories (*SOC-2 Handbook* for associate degrees; *SOC-4 Handbook* for bachelor's degrees). The categories are found in Chapter 8 of the handbooks. Your objective is to identify a college offering a course at a location where you can attend since they are generally not distance learning courses. Once found, determine if it is currently offered and enroll using the procedures of your Army Education Center. SOC Degree Network System Handbooks are available at www.soc.aascu.org/.

4. ARMY MOS

If the requirement lists credit for your MOS, work with the college evaluator preparing your SOCAD Student Agreement to establish that it fully meets the requirement (i.e., it is worth the required number of SH) or that it can be combined with other credit sources. Avoid duplication of credit. *ACE Guide Online* is available at www.militaryguides.acenet.edu/ if you want to examine recommendations in detail.

5. ARMY SCHOOL

If the requirement lists credit for a military school you have attended, work with the college evaluator preparing your SOCAD Student Agreement to establish that it fully meets the requirement (i.e., it is worth the required number of SH) or that it can be combined with other credit sources. Avoid duplication of credit. *ACE Guide Online* is available at www.militaryguides.acenet.edu/ if you want to examine recommendations in detail.

6. CERTIFICATE/LICENSE

If the requirement lists credit for a certificate or license you hold, work with the college evaluator preparing your SOCAD Student Agreement to establish that it fully meets the requirement (i.e., it is worth the required number of SH) or that it can be combined with other credit sources. Avoid duplication of credit. Additional information is available online at <https://www.cool.army.mil>, www.acenet.edu/calec/corporate, and www.dantes.doded.mil.

7. TESTS

If the requirement lists acceptable tests and you would like to take them, consult your local Army Education Center or additional information is available at www.dantes.doded.mil.

8. DISTANCE LEARNING

If the requirement shows that distance learning courses are available, contact the college regarding its courses or examine *DANTES Independent Study Catalog* listings at www.dantes.doded.mil.

APPENDIX IV SELECTING THE RIGHT DEGREE

1. SELECTING THE RIGHT SOCAD ARMY CAREER DEGREE PLAN

There are three kinds of degree plans:

- (1) **SOCAD Army Career Degree:** Typical civilian degrees that match the specialty skills of an MOS,
- (2) **SOCAD Army Degree – General:** Typical civilian degrees with more general content, and
- (3) **SOCAD Army Degree – Specialized:** Degrees especially crafted to accommodate the uniquely military or otherwise not-easily-matched-to-civilian-courses skills of an MOS.

SOCAD ARMY CAREER DEGREE

The SOCAD Army Career Degree is based on college degrees that uniquely relate to an MOS's skills and contain specific college courses that match its competencies. (Example: A computer studies degree in which recommended credit for military learning is assigned to college courses typically found in a computer studies major.)

SOCAD ARMY CAREER DEGREE – GENERAL

The SOCAD Army Career Degree – General is based on college degrees that match the recommended credit from Army learning experiences to their requirements in more general ways.

Military credit recommendations are assigned to one or more general categories (e.g., a "Skill Area", "Career Component", "Professional Focus", "Emphasis", "Aviation Maintenance" or another broad subject area) instead of to specific college courses uniquely identified with the MOS's special competencies. Possibly useful to soldiers, but less effective in mapping MOS competencies to civilian college courses normally associated with their specialties.

The degree may have a General Studies, Management, or other broad title, possibly useful to soldiers, but not uniquely related to the MOS's special competencies (Example: A computer specialist matched to a degree in Management or General Studies rather than computer studies).

SOCAD ARMY CAREER DEGREE – SPECIALIZED

The SOCAD Army Career Degree – Specialized has many of the same qualities as the General degree except its title and major courses may be predominantly military in nature or are otherwise different than a typical civilian course for the same skill. The degree title and major courses would not typically be found in civilian higher education. As with the General Purpose degree plan, the Specialized one may be useful to soldiers but would be less effective in mapping MOS competencies to civilian college courses normally associated with their specialty. (Example: A college degree named for a military specialty and containing courses that are unique to it.)

continued

continued

2. BROADER GENERAL DEGREE CHOICES

A number of colleges offer flexible degrees that combine military credit and general education to form flexible, efficient-for-soldiers degrees. If it is not important that the soldier's degree closely resemble a civilian one in the occupational specialty (i.e., be comprised of major-area courses normally associated with the field), such a program might be appropriate. Many General Studies network curriculums found in the SOC Degree Network System-2 fit this model. Examples of Internet accessible distance learning programs of this kind can be found at: www.excelsior.edu, www.tesc.edu, www.umuc.edu, www.ctcd.edu, and others (refer to the *SOC Degree Network System-2 Handbook*, www.soc.aascu.org, Locations by Network).

3. WILL YOU CONTINUE FOR A BACHELOR'S DEGREE?

Some MOSs have bachelor's degree plans you can pursue directly without an interim associate degree. With this approach you have no transfer concerns, but if you stop short of completion you have no interim degree. An associate degree's title (e.g., AA, AS, AAS, etc.) alone will not ensure successful transfer to a bachelor's degree program. It depends more on the correct matching of the 2- and 4-year programs' course content.

Read the Degree Objective statement on the degree plan carefully. If questions remain, raise them with the bachelor's degree program to which you intend to transfer. It is important to select the right courses based on considerations like: Are they intended to transfer? Do they have a place in your bachelor's degree curriculum? Must they be taken in the upper division (junior or senior year) of a bachelor's degree institution?
