Notes: A maximum of 21s.h. of coursework considered vocational-technical in nature are transferable. This program comparison assumes 30 s.h. in General Education and Program Electives are taken from UMUC. Subject to transfer credit limitations, more transfer credit may be applicable to the degree. If the actual number is more, fewer credits in UMUC coursework may be required and/or additional credits available for UMUC electives. This will be determined when transcripts are reviewed and degree audit prepared. UMUC courses will always fit both CCAF and UMUC degree. Listed courses from other institutions must be articulated.
